PROFILE

UI/UX designer with 4 years of industry experience. Proficient in using design tools such as Figma and Adobe Creative Suite, and well-versed in the entire design process from user research to prototyping and testing. As User Experience Lead at Payvry, Inc., I received a 95% client satisfaction score and played a key role in shaping the design vision of the products and services under development. Seeking a challenging role at a company where I can use my skills and experience to create innovative and user-friendly products.

SKILLS

- UX design principles and methodologies.
- Design tools such as Figma and Adobe Suite.
- Wireframing and prototyping.
- HTML, CSS, and JavaScript.
- User research and testing.
- Creative problem-solving and critical thinking.

WORK EXPERIENCE

FROM 2023- TO PRESENT

USER EXPERIENCE LEAD | PAYVRY, INC.

- Led end-to-end UX design projects, collaborating with cross-functional teams to define user requirements, conduct research, create wireframes, prototypes, and perform usability testing.
- Successfully designed and launched the product, a seamless payment solution between Users and Vendors, converting 79% of total sign up's to daily users.
- Conducted user testing and gathered feedback to iteratively improve the user experience and attain 99.9% satisfaction from the converted users.
- Partnered with the stakeholders to shape and iterate product vision, prioritizing epics and user stories, and received 95% positive feedback on startup's product designs.

**FROM 2019-
TO PRESENT**

Freelance UX Designer

- Transformed the furniture e-commerce product for a retailing company, enhancing user experience and driving increased sales.
- Designed and developed a mobile social app catering to Gen Z's social need, driving high user engagement and fostering meaningful connections.
- Enhanced the healthcare experience in my school's system, resulting in a 27% increase in overall student satisfaction compared to the previous system.
